A message from 2023 President, "Coach", Gary Bucek

Howdy to all PLCTM Members!!!

Welcome to the 2nd Quarter of 2023!

We enjoyed a great gathering at Slavnost/Mayfest at The Museum on May 20th. The wine tasting, "Happy Music for Happy People, sponsored by Majek Vineyard & Winery featuring the Majek Orchestra Exhibit was a historic story coming from Randy Majek about the origin to the current status of this longest running orchestra in Texas! We enjoyed visiting with 60+ of our friends, existing members, new members and the general public as well as raising \$360. Lynne and Randy Majek not only sponsored the event, they donated the wine sales back to the museum in addition to joining the membership.

The museum's NEW sign is in place, we are not just a white building, but Polka Dancing murals on the walls with contact information on the sign. We have received a great deal of publicity from them.

I met with the TCHCC board June 10th about upcoming improvements to the Czech Village. They are working with Texas A&M to design upgraded roads, lights, and walkways to all exhibits in the Czech village. Our next project will be a sidewalk for the "new" entrance of the museum while continuing with videos and audio of our history, instruments, and exhibits.

PLEASE MARK YOUR CALENDARS for Saturday, October 14th. This is our first formal gathering since Covid 19! We are hosting a Noon Buffet, Mass, Music and Dancing. Information on how to register and volunteer for this event is forthcoming. Fr. Jared Cooke will perform the Mass, a complimentary buffet lunch for our Members and great music for dancing by The Ennis Czech Boys after lunch. Silent Auction and a Raffle are being organized... **STAY TUNED FOR MORE DETAILS.** (See Page 3.)

E. J. Bayer made some great suggestions such as healthy snacks to eat and a better sound system for all of us needing more volume for our ears. Please do not hesitate to email, text, or call, Carol, Joyce, Willie, myself, or any of our board members with suggestions or ideas how we can make the Polka Lovers Club of Texas Museum (PLCTM) better for us and the visiting public.

Til next time...Gary
